

# Soil-less Classroom Gardening

Easily grow veggies in your classroom

## Small

Grow up to 21 plants on a counter or desktop with a LetPot.

## Medium

Grow up to 44 plants in under 4 square feet of floor space on a Tower Garden.

## Large

Grow up to 720 plants for your cafeteria with a Harvest Wall.

## Free Training, Support, and Lesson Plans

*"The Tower Gardens have been a wonderful educational tool for our classrooms and I appreciate Steve's work greatly!"*

Dr. David Hoffert – Superintendent  
Warsaw Community Schools  
Warsaw, Indiana
